Your candidate for Kwinana. Having lived in Bertram for over 15 years, I am imbedded in the community here and I am keen to do my part to continue the improvements I have seen over that time.

I have a keen interest in the promotion of youth sport. I have been working to build a pathway for primary school students to play basketball, through coaching, team registration and now training parents to be able to coach without the benefit of years of game experience. I would be looking to develop more pathways to all sports for the young people in our community as I firmly believe that sport is a way for kids to gain recognition for their actions and efforts, in a positive and healthy manner.

I also believe that open and honest local government is important, and will endeavour to continue the good work in communicating what the council is working on that I have seen from some of the existing Councillors.

Vote for me to help you!
